NuxaFen[®]

**NuxaFen[®] can replace up
to 50% of synthetic vitamin E50**

BENEFITS

Additive composed of polyphenols, recognized for their natural antioxidant action, which can partially replace pure vitamin E in a ratio of 1g of the product for every 11g of pure vitamin E, reducing formulation costs.

In addition, polyphenols are recognized for effectively mitigating the effects of oxidative stress, contributing to the improvement of productive, reproductive and meat quality parameters.
